Dear Bill,

I'll be leaving Tuesday morning and will get to New Orleans either Friday morning or Saturday morning, possible Friday afternoon.

Last year I sent you a set of all the Warren Commission documents on Bringuier. If you do not need them, I'd like to get them back. I can return them or, if you'd prefer, could you Xerox them, please. I want to show them to witnesses.

Looking forward.

No mail service.

Sincerely,
